

## Lux Truffle Facial

Famous for its decadent and coveted reputation, this exceptional skin-loving ingredient delivers antioxidants and nutrients. These mushrooms embody regrowth, rejuvenation, regeneration, and have been called the “digestive tract of the forest”.

Black Truffle Enzyme, with glycolic and mandelic acids, will exfoliate dead skin cells while locking in moisture with Ceramide NP. Coconut charcoal powder gives this enzyme its color and acts as a magnet that pulls impurities, environmental pollution, and excess oil from the skin.

White Truffle Mask’s whipped consistency embraces the skin’s natural renewal process and generates youthful looking skin. It moisturizes with Glycoderm™(P), which is a combination of water, honey, phospholipids and hyaluronic acid for optimal hydration.

### Skin Conditions:

Dry/Sensitive Skin: May experience a higher tingle during application; omit steam or dilute with White Truffle Mask as needed.

Normal/Oily/Resilient Skin: Enzyme can be boosted with pump of Lactic Acid for hydration or pump of Glycolic Acid for more exfoliating benefits.

## Professional Facial

---

1. Cleanse once with Green Tea Cleanser.
2. Cleanse a second time with Glycolic Cleanser.
3. Apply Black Truffle Enzyme under steam for 7-10 minutes.
4. Remove with a warm steam towel or with cool aesthetic wipes.
5. *Optional:* Perform a microdermabrasion.
6. Perform extractions.
7. Apply Vitamin C/Green Tea Serum and Ageless Hydrating Serum.
8. Apply White Truffle Mask for 10 minutes and remove with warm steam towel.
9. Tone with Cucumber Toner.
10. Moisturize with Cacteen Balancing Moisturizer.
11. Apply lip balm.
12. Protect with Sheer Protection SPF 30.

# Black Truffle Enzyme

## Description

Professional Use Only. Truffles are special mushrooms that are seasonal and can take years to cultivate. Mushrooms represent regrowth, rejuvenation, regeneration, and have been called the “digestive tract of the forest”. The white truffle extract is an excellent antioxidant for the skin. Exfoliate and improve texture of the skin with the blend of glycolic and mandelic acid.

This enzyme also contains coconut charcoal powder to give it its bold color and charcoal is excellent at absorbing impurities and excess oil from the skin.

- Antioxidant
- Oil reduction

Tingle factor: 3-4

pH: 3.78

## Skin Types

Normal combination skin but could also be used for dry/dehydrated skin in need of exfoliation.

**Formulated without:** Soy, gluten, nut or animal derivatives

## Key Ingredients

- **Glycolic Acid (5%)** weakens desmosomes, allowing dead skin cells to slough off to reveal healthier, smoother, brighter looking skin.
- **Mandelic Acid (.25%)** is a larger molecular weight alpha hydroxy acid with antibacterial properties and is working as an exfoliant, allowing dead skin cells to slough off, making room for regrowth of new skin. Improves wrinkling, roughness, and softens skin.
- **Tuber Magnatum Extract (Truffle Extract)** is white truffle which is an excellent antioxidant.
- **Coconut Charcoal Powder (derived from coconut husks)** gives this enzyme its color, but it is an extremely porous, purified powder that acts like a sponge attracting impurities and excess oil from the skin. (Think of a magnet pulling metal toxins such as pollution from our cells.)
- **Ceramide NP** locks in moisture and prevents trans-epidermal water loss.
- **Tsuga Canadensis Leaf Oil** is good for reducing appearance of blemishes, offers skin cleansing benefits.

## Tips for Use

- After cleansing, apply a thin layer to the face and manipulate into the skin with fingertips.
- Apply steam if desired. Remove with a warm steam towel after 7 – 10 minutes.

## Black Truffle Enzyme

### Important Notes

---

Avoid contact with eyes, and flush immediately if contact occurs.

Always use sunscreen after using this product.

### Formula Composition

---

Aqua (Water)  
Glycerin  
Glycolic Acid  
Sodium Hydroxide  
Hydroxyethylcellulose  
Lonicera Japonica (Honeysuckle) Flower Extract  
Caprylic/Capric Triglyceride  
1,2-Hexanediol,  
Charcoal Powder  
Caprylyl Glycol  
Succinoglycan  
Citrus Aurantium Bergamia (Bergamot) Fruit Oil  
Cedrus Atlantica (Cedar) Wood Oil  
Lonicera Caprifolium (Honeysuckle) Flower Extract,  
Mandelic Acid (L)  
Sodium Gluconate  
Bisabolol (L-alpha)  
Ceramide NP  
Lavandula Hybrid (Lavandin) Oil  
Citrus Aurantium Dulcis (Orange) Peel Oil  
Citrus Limon (Lemon) Peel Oil  
Eugenia Caryophyllus (Clove) Leaf Oil  
Tsuga Canadensis Leaf Oil  
Tuber Magnatum Extract  
Tropolone  
Vanillin  
Citrus Reticulata (Tangerine) Leaf Oil  
Cymbopogon Martini (Palmarosa) Oil  
Citric Acid  
Hamamelis Virginiana (Witch Hazel) Water  
Alcohol

## White Truffle Mask

### Description

Professional Use Only. The White Truffle Mask has a whipped consistency and contains soothing and hydrating ingredients such as Glycoderm™ (P) which is a combination of water, honey, phospholipids, sphingolipids, and hyaluronic acid for incredible hydration. This mask also contains Ceramide NP to lock in moisture and avoid trans epidermal water loss, while the white truffle extract provides great antioxidant support.

- Hydrating
- Restores the skin's barrier
- Antioxidant
- Rebalancing

### Skin Types

All skin types, especially normal to dry skin

**Formulated without:** Soy, gluten or nuts.

### Key Ingredients

- **Tuber Magnatum Extract (Truffle Extract)** is white truffle which is an excellent antioxidant.
- **Glycoderm™ (P)** is a combination of water, honey, phospholipids, sphingolipids, and hyaluronic acid. It restores the lipid barrier of the epidermis and increases water absorption in the corneocytes by adding natural moisturizing factors. It plumps and moisturizes the skin and improves the skin's ability to hold moisture.
- **Simmondsia Chinensis (Jojoba Esters)** is moisturizing, balances oil production and provides barrier protection.
- **Bisabolol (L-Alpha)** acts as an anti-inflammatory, promotes wound healing, reduces sensitivity, and alleviates heat while soothing skin irritation.
- **Allantoin** to reduce inflammation and soothe skin.
- **Ceramide NP** locks in moisture and prevents trans-epidermal water loss.

### Tips for Use

- Apply a thin layer to the face after cleansing and exfoliation. Manipulate into the skin with fingertips.
- Remove with a warm steam towel after 7 – 10 minutes. Apply toner, moisturizer, and sunscreen after use.

### Important Notes

Avoid contact with eyes, and flush immediately if contact occurs.

## White Truffle Mask

### Formula Composition

---

Aqua (Water)  
Caprylic/Capric Triglyceride  
C12-15 Alkyl Benzoate  
Simmondsia Chinensis (Jojoba) Seed Wax  
Stearic Acid  
Cetyl Alcohol
