

Pomegranate Ageless Lip Treatment

Description

Pomegranate Ageless Lip Treatment is packed with ingredients that assist with repairing and hydrating the lips. Maxi-Lip™ boosts collagen synthesis to improve firmness and suppleness. HydraSynol™ plumps and increases moisture while antioxidant rich pomegranate seed oil protects.

- Soothes irritated and chapped lips
- Improves texture of the lips
- Increases moisture to soften lips
- Protects from environmental damage
- Enhances suppleness
- Restores hydration

Skin Types

All skin types

Formulated without soy, gluten or animal derivatives

Active Ingredients

- **Plandool MAS (Phytosteryl Macadamiate)** has high water binding capacity and improves lip hydration, moisture and suppleness.
- **Dermaxyl® (C12-15 Alkyl Benzoate, Tribehenin, Ceramide NG, PEG 10 Phytosterol, and Palmitoyl Hexapeptide-12)** simulates cell-to-cell communication; helps repair damaged lips and attracts the fibroblast to the lip area.
- **Maxi-Lip (Palmitoyl Tripeptide-1)** is a biomimetic peptide known to stimulate collagen synthesis and glycosaminoglycans; it moisturizes lips, improves firmness and creates a smooth appearance yielding a “3D effect”.
- **Antileukine 6® (Laminaria Ochroleuca Extract)** is an antioxidant; it restores hydration, protects DNA and reduces inflammation.
- **HydraSynol™ DOI (Isosorbide Decaprylate)** up-regulates Aquaporin 3 to trigger our skin’s own hydration levels.
- **Synoxyl® AZ (Acetyl Zingerone)** is an antioxidant that maintains and protects the ECM, reduces MMP formation and is firming to the lips.
- **Pomegranate Seed Oil** is antioxidant rich to improve moisture and protect against free radical damage.

Tips for Use

- Glide a small amount onto lips to provide hydration and anti-aging benefits.
- Re-apply as needed.

Pomegranate Ageless Lip Treatment

Formula Composition

Hydrogenated Polyisobutene
Octyldodecanol
PPG-3 Benzyl Ether Myristate
Cetearyl Isononanoate
Ethylene/Propylene/Styrene Copolymer
Pentaerythrityl Tetraisostearate
Phytosteryl Macadamiate
C12-15 Alkyl Benzoate
Ethylcellulose
Palmitoyl Tripeptide-1
Palmitoyl Hexapeptide-12
Punica Granatum (Pomegranate) Seed Oil
Isosorbide Dicaprylate
Laminaria Ochroleuca Extract
Acetyl Zingerone
Ceramide NG
Isostearyl Alcohol
Hydrogenated Dilinoleyl Alcohol
Ethylhexyl Palmitate
Tribehenin
1,2-Hexanediol
Caprylyl Glycol
Caprylic/Capric Triglyceride
PEG-10 Rapeseed Sterol
Tropolone
Sorbitan Isostearate
Fragrance/Parfum
Butylene/Ethylene/Styrene Copolymer
