The antioxidant packed Açai Berry Moisturizer provides hydration and protects from environmental damage while relieving the surface signs of aging.

- Improves skin hydration to limit visible lines
- Encourages proper moisture levels
- Normalizes water/oil balance
- Soothes and calms
- Improves skin appearance

Skin Types

Normal
Dry

Key Ingredients

- **Olivem® (Cetearyl Olivatate and Sorbitan Olivatate)** is a combination of fatty acids that restore and maintain the integrity of the skin barrier.
- **Glycoderm™ (P) (Water, Honey, Phospholipids, Sphingolipids, and Hyaluronic acid)**. It restores the lipid barrier of the epidermis and increases water absorption in the corneocytes by adding natural moisturizing factors. It assists in barrier repair, improve barrier function, plumps and moisturizes the skin and improves the skin's ability to hold moisture.
- **Açai Berry** is native to tropical Central and South America. Açai pulp is rich in oleic acid, palmitic acid, and linoleic acid, as well as Vitamins B, C, and E. This berry has high levels of antioxidants and anti-inflammatory properties and has been used topically for its astringent and antibacterial properties.
- **Pollia Condensata (Marbleberry) Fruit Extract** has a high polyphenol content, antioxidant, reduces redness and is moisturizing
- **Aloe Barbadensis Leaf Juice Powder** soothes and calms redness and inflammation, and it provides gentle hydration while protecting the skin from external aggression.
- **Bisabolol (L-Alpha)** acts as an anti-inflammatory and promotes wound healing, reduces sensitivity, and alleviates heat while soothing skin irritation.

Tips for Use

- Use a small, pea-sized amount daily morning and evening to hydrate the skin.
- Apply after cleansing and exfoliating/toning the skin.

Açaí Berry Moisturizer

Important Notes

- Avoid contact with eyes. Flush completely if contact occurs.
- Always use sunscreen when using this product.

Formula Composition

Aqua (Water)
Caprylic/Capric Triglyceride
Dimethicone
Glycerin
Squalane
Glyceryl Stearate
Lactobacillus
Cetearyl Olivatate
Cetearyl Alcohol
Sorbitan Olivatate
Lonicera Japonica (Honeysuckle) Flower Extract
Cocos Nucifera (Coconut) Fruit Extract
Citric Acid
Carbomer
Lonicera Caprifolium (Honeysuckle) Flower Extract
Xanthan Gum
Alcohol Denat.
Hamamelis Virginiana (Witch Hazel) Water
Bisabolol (L-alpha)
Honey (Mel)
Phytic Acid
Sodium Ascorbyl Phosphate
Aloe Barbadensis Leaf Juice Powder
Phospholipids
Alcohol
