

Ageless Hydrating Serum

Description

The Ageless Skin Hydrating Serum has a nice, light texture and is great for restoring moisture into the skin and balancing surface bilayers.

- Improves hydration
- Balances surface lipids
- Reduces the appearance of wrinkles
- Improves health of cell membrane
- Plumps the skin

Skin Types

All skin types

Dehydrated, dry, acneic, and milia-prone skin

Key Ingredients

- **Glycoderm™ (P) (Water, Honey, Phospholipids, Sphingolipids, and Hyaluronic acid)**. It restores the lipid barrier of the epidermis and increases water absorption in the corneocytes by adding natural moisturizing factors. It assists in barrier repair, improve barrier function, plumps and moisturizes the skin and improves the skin's ability to hold moisture.
- **Matrixyl Synthe' 6™ (2%) (Glycerin, Water, Hydroxypropyl Cyclodextrin, and Palmitoyl Tripeptide-38)**. It evens out skin and smoothes wrinkles from the inside by rebuilding the skin where it is needed, particularly on the forehead and crow's feet. It also stimulates the synthesis of the skin matrix and dermal-epidermal junction.
- **DN-AGE® (Cassia Alata Leaf Extract)** Protects the cells from DNA damage caused by UV rays. It also supports the natural repairing process of cells.
- **Lipomoist™ (Chondrus Crispus)** Is a highly moisturizing molecular film that enhances elasticity through cohesion of the extra cellular matrix. It works on adding hydration, elasticity, and firmness to the skin.
- **Fructooligosaccharides (D-beta)** is a naturally occurring carbohydrate derived from cane or beet sugar and promotes growth of healthy probiotic bacteria to strengthen skin immunity. It is a humectant and skin conditioning agent.
- **Sodium Hyaluronate** increases moisture binding capabilities and infuses water deep into the tissue to create a water reservoir that guards against environmental exposure.

Tips for Use

- Apply morning and evening after cleansing and toning the skin.
- Apply a moisturizer after the serum to seal the serum in the skin.
- Drink more water to assist in hydrating the skin.

Ageless Skin Hydrating Serum

Formula Composition

Aqua (Water)
Hamamelis Virginiana (Witch Hazel) Water
Glycerin
Alcohol
Polysorbate 20
Octyldodecanol
Limnanthes Alba (Meadowfoam) Seed Oil
PEG/PPG-18/18 Dimethicone
PEG-8
Honey (Mel)
Rosa Canina Seed Oil
Caprylic/Capric Triglyceride
Xanthan Gum
Phenethyl Alcohol
Hydrogenated Coco-Glycerides
Caprylyl Glycol
Helianthus Annuus (Sunflower) Seed Extract
Dextrin
Hydrolyzed Hibiscus Esculentus Extract
Sodium Hyaluronate (L)
Coco-Caprylate/Caprates
Phospholipids
Cetearyl Alcohol
Cetearyl Glucoside
Glyceryl Stearate
Cassia Alata Leaf Extract
Dicaprylyl Ether
Gluconolactone
Carbomer
Hyaluronic Acid
Sphingolipids
Phenoxyethanol
Potassium Sorbate
Sodium Benzoate
Hydroxypropyl Cyclodextrin
Allantoin
Lithium Magnesium Sodium Silicate
Citrus Limon (Lemon) Peel Oil
Sodium Hydroxide
Aloe Barbadensis Leaf Juice Powder
Citrus Aurantium Dulcis (Orange) Flower Oil
Trisodium Ethylenediamine Disuccinate
Citric Acid
Palmitoyl Tripeptide-38
Glucose (D)
Fructooligosaccharides (D-beta)
Carrageenan
