

Cacteen Balancing Moisturizer

Description

The Cacteen Balancing Moisturizer balances surface lipids and water with the healing properties of prickly pear cactus stem extract and the fatty acids found in olive.

- Provides anti-inflammatory-like benefits
- Soothes and calms
- Normalizes water/oil balance

Skin Types

Normal
Combination
Sensitive

Key Ingredients

- **AquaCacteen™ (Opuntia Ficus-Indica (Cactus) Stem Extract)** is rich in essential amino acids, antioxidants, and water-binding polysaccharides. It hydrates, smoothes, and protects the skin from environmental stress.
- **Olivem® (Cetearyl Oliviate, and Sorbitan Oliviate)** is a combination of fatty acids that restore and maintain the integrity of the skin barrier.
- **Sodium Pyrrolidone Carboxylic Acid (PCA)** is a component of the skin's natural moisturizing factor (NMF) and has a very potent hydrating and moisturizing power. It is nonirritating and non-allergenic, and it is a humectant with moisture-binding ability.
- **Bisabolol (L-Alpha)** acts as an anti-inflammatory, promotes wound healing, reduces sensitivity, and alleviates heat while soothing skin irritation.
- **Spin Trap (Phenyl t-Butylnitron)** entraps reactive oxygen species to restore proper chemical structure and spin to destructive molecules. It also limits lipid peroxidation and free radical damage.
- **Phycocyanin** is a natural blue pigment derived from spirulina, a blue-green algae, with antioxidant and anti-inflammatory properties.

Tips for Use

- Use a small, pea-sized amount daily morning and evening to hydrate the skin.
- Apply after cleansing and exfoliating/toning the skin.

Cacteen Balancing Moisturizer

Important Notes

Avoid contact with eyes. Flush completely if contact occurs.

Formula Composition

Aqua (Water)
Glycerin
Caprylic/Capric Triglyceride
Cetearyl Olivatate
Sorbitan Olivatate
Squalane
Triisnnonanoin
Xanthan Gum
Bisabolol (L-alpha)
Phenoxyethanol
Sodium PCA
Carbomer
Lonicera Japonica (Honeysuckle) Flower Extract
Caprylyl Glycol
Cholesteryl Oleyl Carbonate
Lonicera Caprifolium (Honeysuckle) Flower Extract
Helianthus Annuus (Sunflower) Seed Oil
Cholesteryl Chloride
Cholesteryl Nonanoate
Sodium Hydroxide
Sorbic Acid
Potassium Sorbate
Tocopherol (D-alpha)
Opuntia Ficus-Indica (Cactus) Stem Extract
Aloe Barbadensis Leaf Juice Powder
Phytic Acid
Spirulina Platensis (Phycocyanin) Extract
Acetyl Tributyl Citrate
Phenyl t-Butylnitrone (Spin Trap)
Citric Acid
