

# Charcoal Clay Cleanser

## Description

---

This cleanser is infused with charcoal and kaolin clay to absorb environmental toxins. Kaolin clay absorbs sebum, removes impurities, and helps prevent clogged pores.

- Provides deep cleansing
- Detoxifying and purifying
- Reduces oil

## Skin Types

---

Normal to Oily skin

## Key Ingredients

---

- **Coconut Charcoal Powder (derived from coconut husks)** is an extremely porous, purified powder that acts like a sponge attracting impurities and excess oil from the skin. (Think of a magnet pulling metal toxins [from pollution] from our cells.)
- **Kaolin Clay** absorbs sebum and prevents pore clogging. It is used to draw out impurities and toxins and thereby clears the skin of excess oil, dirt, pollution, and debris.
- **Moringa Oleifera Seed Extract** is antioxidant; rich in vitamins A, C and E and Omega 9 to replenish and guard against moisture loss and defend against free radicals.
- **Glycerin** acts as an emollient and lubricant. It can also be a humectant and draw moisture from the air to the skin.

## Tips for Use

---

- This is a great primary cleanser to remove oil, makeup, dirt, and debris.
- This product removes easily with warm water.

# Charcoal Clay Cleanser

## Important Notes

---

- Avoid contact with eyes. Flush completely if contact occurs.
- Always use sunscreen when using this product.

## Formula Composition

---

Aqua (Water)  
Sodium C14-16 Olefin Sulfonate  
Kaolin  
Propanediol  
Glycerin  
Butylene Glycol  
Glyceryl Stearate SE  
Cetearyl Alcohol  
Sodium Cocoamphoacetate  
Cocamidopropyl Hydroxysultaine  
Polysorbate 60  
Xanthan Gum  
Phenoxyethanol  
Caprylyl Glycol  
Magnesium Aluminum Silicate  
Fragrance/Parfum  
Ethylhexylglycerin  
Eucalyptus Globulus Leaf Oil  
Charcoal Powder  
Citrus Paradisi (Pink Grapefruit) Peel Oil  
Moringa Oleifera Seed Extract  
Citric Acid  
Sodium Hydroxide
