

Pomegranate Antioxidant Cleanser

Description

The Pomegranate Antioxidant Cleanser is a moderately rich cream-based cleansing option that is infused with a wide array of antioxidants, nutritional elements, and oils to restore and protect the skin.

- Soothes skin irritation
- Calms and provides anti-inflammatory-like benefits
- Assists in boosting hydration levels
- Enhances cellular turnover

Skin Types

Normal to dry skin
Rosacea and sensitive skin

Key Ingredients

- **Punica Granatum (Pomegranate) Extract** is an antibacterial, clarifying cleansing agent with antioxidant properties.
- **Vitis Vinifera (Grape Seed) Extract** has extensive antioxidant capabilities as well as rejuvenating effects. It also improves the efficacy of other active ingredients.
- **L-sodium Hyaluronate** improves moisture content within the skin and binds water to prevent trans-epidermal water loss. It also plumps skin tissue to lessen the appearance of wrinkles.
- **Safflower Oil** is an emollient plant oil high in linoleic acid (omega 6), an essential fatty acid. It is good for skin smoothing and skin moisture barrier enhancement.
- **Jojoba Seed Oil** is an emollient plant oil that is a unique source of wax esters. It is good for skin conditioning and moisture barrier enhancement.
- **Citrus Medica Limonum (Lemon) Peel** oil is astringent, purifying, toning, and brightening.
- **Aloe Barbadensis Leaf Juice** soothes and calms redness and inflammation and provides gentle hydration while protecting the skin from external aggression.

Tips for Use

- This is a great primary cleanser to remove oil, makeup, dirt, and debris.
- Massage the cleanser into the skin with fingertips and remove with a warm, wet washcloth to thoroughly cleanse the skin.
- To remove eye makeup during a facial, put the cleanser on cotton rounds and put the rounds over the eyes. Wait a few minutes and wipe off the eye makeup.

Pomegranate Antioxidant Cleanser

Formula Composition

Aqua (Water)
Cyclopentasiloxane
Carthamus Tinctorius (Safflower) Seed Oil
Glycerin
Propylene Glycol
