

# Seaweed Mask

## Description

Professional Use Only. The Seaweed Mask is a gel-based, cooling, and refreshing mask. It is full of lipids, proteins, minerals, and vitamins that moisturize the skin and provide suppleness. It also soothes and heals chapped and irritated skin and helps calm inflammation. **Note:** If the Seaweed Mask causes warming or tingling (due to the tea tree oil), ensure you apply the Ageless Hydrating Serum FIRST to hydrate the skin and buffer any sensation from the Seaweed Mask.

- Normalizes moisture content
- Provides suppleness
- Soothes and heals chapped and irritated skin
- Inhibits inflammation
- Nourishes the skin
- Promotes cell regeneration

## Skin Types

Normal, dry, or sensitive skin

## Key Ingredients

- **Wakame (seaweed) Extract** normalizes, nourishes, hydrates and detoxifies.
- **Chamomile Flower Extract** replenishes and enriches dry or sensitive skin; anti-itching and antiseptic properties to refresh the skin and reduce inflammation.
- **Comfrey Leaf Extract** is healing, anti-inflammatory, moisturizing and protective.
- **Allantoin** soothes and calms the skin; relieves itching and irritation.
- **Aloe Leaf Juice** soothes and calms redness and inflammation, provides gentle hydration.
- **Tea Tree Oil** provides antiseptic properties.
- **Glycerin** acts as an emollient and lubricant. It also can be a humectant and draw moisture from the air to the skin.

## Tips for Use

- This mask contains tea tree oil and may cause a warming or tingling effect. To minimize this sensation, apply Ageless Hydration Serum FIRST to hydrate the skin.
- Apply a thin layer to the face after cleansing and exfoliation. Manipulate into the skin with fingertips.
- Remove with a warm steam towel after 7 – 10 minutes.
- Apply toner, moisturizer, and sunscreen after use.
- It can also be used as a facial massage medium because it has a lot of slip to it.
